

DYNAMIC EFB - N85

585501080K262

Vehicles with Start-Stop technology and increased energy needs.

The VARTA Dynamic EFB is the perfect choice for drivers who value dependability. Designed for Start-Stop technology vehicles with standard electronic features, it delivers extra starting power for confident starts, backed with twice the lifespan of a conventional battery. Smooth, consistent performance on every drive. VARTA batteries meet all the standards of OE manufacturers. Engineered in Germany, VARTA batteries deliver precision performance and lasting reliability.

VEHICLE KEY BENEFITS

Start-Stop
